SEPTEMBER IS
**SUICIDE
PREVENTION**
AWARENESS
MONTH

One conversation can change a life.

Newton Apex Clinician Team

Newton Apex clinicians Melissa Brown, Anushka Fussell, Marcía Bryant-Cornelison, Danielle Jones, and Andrina Jordan attended the Newton County School System School Counselors' Training at Palmer Stone Elementary School. The team received valuable training and information on community resources, education resources, and other information related to enhancing the academic environment & mental wellness for students in Newton County.

Newton
COUNTY SCHOOLS

Our Mission is to Provide Educational Excellence for All Students!

Clements Middle School

Apex clinician's role on PBIS Team expanded this school year including clinician creating a fundraising component to raise additional funds to increase student and staff rewards. Fundraising efforts will include Apex clinician building partnerships with local businesses to donate to the school for these incentives and leading fundraising efforts at the school such as "Staff Concessions" and "Winter Holidays' Staff Store."

PBIS
Rewards

Indian Creek Middle

Apex clinician assisted with developing the Parent Center, a resource room for parents. Clinician will also be assisting with the Fall Festival. Stay tuned for more details about the festival in the next newsletter!

Pine Street Elementary

Apex clinician
increased
awareness of
Apex Program through

her participation in Open House, talking to the parents and family members of students about the various components of the Apex Program. The collaboration between the school counselor and Apex clinician demonstrates the positive effects of teamwork!

“ WE NEED TO CHANGE THE CULTURE OF THIS TOPIC AND MAKE IT OK TO SPEAK ABOUT MENTAL HEALTH AND SUICIDE. ”
