Informed Consents

The following are informed consents that you'll be asked to sign at your initial appointment. The consents below are provided so that you can review prior to signing. These consents are written exactly as they'll appear for your signature.

Consent for Services

I consent to such medical, psychiatric and/or other services as the staff may recommend, including diagnostic tests and counseling.

I agree to cooperate in the implementation of the services including follow through with terms and conditions of services recommended by staff. I have been informed that statistical information concerning my treatment will be submitted to the Georgia Department of Behavioral Health and Developmental Disabilities for compilation of statistical information statewide. I knowingly and freely agree to assume all such risks and responsibility for any injuries or damages that I may suffer that arise from my participation.

I understand that my healthcare provider will access prescription databases to gather information on current or previously prescribed medications for the purpose of enhancing quality of care. Prescribed databases include those which monitor prescribed controlled substances. The information gained from prescription databases provides an accurate history of prescribed medications and may reduce the misuse of these medications.

Testing for Blood Borne Pathogens

Georgia law (OCGA 31-22-9.2) allows testing for blood-borne pathogens in certain situations. (1) If a health care worker is exposed to my blood (e.g., suffers a needle stick), my blood may be tested for diseases including HIV/AIDS/Hep C. Additional information about this test is available. I will be informed of test results. (2) If I am an obstetrical patient in the third trimester of pregnancy, the Practice may test me for HIV and syphilis as required by Georgia law. (3) For all other patients, if my physician recommends an HIV or Hep C test, he or she will notify me and I will have the right to refuse the test at that time.

Family Involvement Consent / Denial

I consent to have the family members listed involved in the planning and delivery of the services that I shall be receiving from the agency for this period of service. I understand that, without this consent, the agency's employees will be prohibited to acknowledge to any family member that I am a consumer of services.

Follow-Up Contact Consent

I consent to agency staff contacting me within 90 days of the termination of this period of service, in order to collect information on the outcomes of that service. I further consent to such contact being made through the following persons listed.

Payment for Services Statement

Payment for services according to your ability to pay is expected. The state purchases services for individuals who have been determined to meet the Core Customer eligibility requirements, and who are unable to pay the maximum rate for services. These state funds, however, are limited and can only be used for those with no other means to pay for services. You can arrange for payment for services through your health insurance policy, Medicaid, Medicare, or through self-payment. You must complete this application to determine the most appropriate payment amount for your current situation. You must provide proof of income by providing a copy of a recent pay stub or your most recent tax return.

If you have health insurance, you must provide a copy of proof of insurance including the group number and policy number. You will be responsible for any co-payment required by the insurance policy. Until this information is provided, View Point Health will bill you at 100% of the State approved charges for the services you receive. To apply for mental health or substance use services paid in full; in part by the state or to determine your fee for services, you or your guardian must complete a financial assessment with a financial counselor.

The organization has 30 days from the day you give them this signed application to act on it. This application will be considered without regard to race, color, sex, age, handicap, religion, national origin, or political belief. During your financial assessment, please answer these questions completely and accurately. Failure to provide accurate information may result in you being charged the full charge or in the denial of services.

Consent for Contact

There may be times when we need to contact you regarding your services here at our agency. As a pre- caution to protect your privacy, we would like to know the best method for communicating with you. By signing this document, I am giving permission to be contacted by the method(s) indicated above. I have the right to change the preferred method of contact and may do so by informing a clerical support staff worker at this agency. I am responsible for keeping the agency updated with current contact information.

Financial Consent

- I affirm that the information provided regarding insurance coverage for me and/or my dependents (if applicable) is true and accurately reflects my current circumstances.
- I understand and agree that I am responsible for payment for services provided to my dependents or myself.
- I understand that the organization may ask me for additional information to assist in making a final determination of my ability to pay.
- I further understand that the organization may verify the information provided and I give my consent for the verification by signing this application.
- I understand that my financial status will be reviewed annually or as circumstances change.
- I also understand that I have the option to review the decision by following the review process.
- I agree for this agency to release any necessary information, including Alcohol and Drug Information (if applicable), to the appropriate Medicare fiscal intermediaries/carriers, Medicaid or Health Insurance Company for the purpose of pre-certification and/or re-certification of recommended treatment services and the filing of claims for services provided. For Medicare and Insurance Company covered services rendered, I hereby authorize payments directly to this agency. I understand that I will be responsible for deductible and co-insurance charges.
- I understand the services I have requested may not be covered by my insurance providers as being reasonable and/or medically necessary for my care. If these services are determined not to be reasonable and/or medically necessary, I understand that I am responsible for payment of the services I request and/or receive.

ASSIGNMENT OF RIGHTS: I hereby authorize this agency to carry forward an appeal on my behalf as permitted by law. I understand that this does not obligate or require this agency to carry forward any such appeal unless they so choose.
