So, you've got the play basics down, and now you're ready to learn more! At this advanced-level play therapy training, participants will build on their TEEL skills and gain a deeper understanding of play behaviors, themes, and progress. They will practice writing progress notes, creating treatment plans, and using a parallel process with caregivers. Clinicians will learn to market themselves to clients and potential funders.

At the end of this training, participants will be able to...

- Explain the benefits of play therapy;
- Analyze play therapy themes and behaviors in session;
- Assess for the child's progress;
- Write a play therapy progress note and treatment plan;
- Use a parallel process with caregivers; and
- Create a marketing plan to promote play therapy business.
